Friends & Travelers ~ I don't know about you but I'm ready for spring!

"Meandering With Mary", during its fourteenth year has been an exciting, rewarding and challenging experience. I am very pleased to be able to provide and share so many wonderful adventures with you. I appreciate all your support, kind words and evaluation of tours. Serving you is what I enjoy the most!

I want to personally say **THANK-YOU** again, to those who have traveled with me over the 40 years! I look forward to that opportunity once again and I'm anxious to meet new traveling friends. I will continue to go above and beyond to ensure each traveler an enjoyable, memorable traveling experience and to handle any emergency that arises.
